

Louisiana Disaster Preliminary Damage Self-Report

Please fill out this survey to report damage to your home or business (structures only, no vehicles). Information collected here will help parish, state, and federal authorities understand how and where locations were impacted by this disaster event. This survey is to be used only for reporting damage or loss of personal property. Completion of this survey is not an application for or guarantee of assistance, nor does it initiate a claim to your insurance provider. Contact information will be used to provide information on resources available as well as how to apply for any assistance that may be available. Note that any information submitted via this form may become public information. Utility outages should still be reported to your local utility provider.

If this is a life threatening emergency, dial 911.
